

# COME VISIT THE MORRO BAY MARITIME MUSEUM

## A cozy harbor stop during your festival day

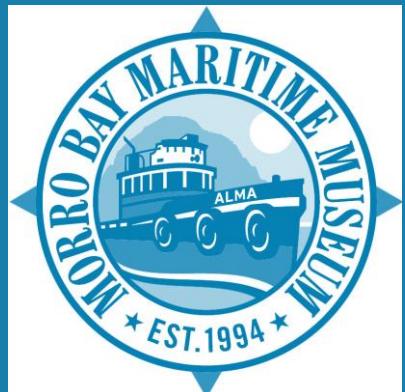

Looking for a relaxing break between bird walks? While you're watching wings skim the water and listening for calls along the shore, take a moment to explore the maritime stories that shaped Morro Bay. Just steps from the harbor, the Morro Bay Maritime Museum celebrates the boats, builders, and bay life that have shared these waters with birds for generations.

The Morro Bay Maritime Museum offers a quiet, fascinating stop right on the waterfront ... Perfect for a midday pause.

The same waters  
birds depend on  
have carried  
fishermen, sailors,  
and shipbuilders for  
generations.

Drop in, stay awhile,  
and see the bay from  
a different perch.
